

FANS CHARTER

We will provide an accessible and regular system of listening to and understanding fans' opinions, raising these at the Trust's formal meetings with the Norwich City FC Executive Board and providing detailed feedback to our members.

We will continuously seek opportunities to increase the Trust's shareholding in Norwich City FC, thus maintaining a strong voice, on behalf of the Trust's members.

We will continually grow our membership and, as such, further strengthen our voice.

We will ensure the membership of the Canaries Trust is open, diverse and accessible to all Norwich City FC supporters, regardless of age, income, ethnicity, gender, disability, sexuality or religious or moral beliefs.

We will work with like-minded supporters trusts and the Football Supporters Association on national campaigns such as ticketing, combating homophobia and racism, safe seating etc.

We will help bring Norwich City FC closer to its community by assisting with community projects, social and fundraising events and liaison with other Norwich City FC supporter groups.

To operate democratically, transparently and sustainably and to encourage Norwich City FC to always demonstrate similar values.
